SELFSTUDY

(suggested length of 3 pages)

**WE ARE WORKING ON YEAR REVIEW, DUE MAY 2020**

III. DISCUSSION OF PROGRAM DATA & RESOURCE REQUESTS (suggested length of 2 pages)

Each program should provide a ~~one~~ page discussion of the program data available through University Dashboard. This discussion should include an analysis of trends and areas of concern. Programs should also include in this discussion requests for additional resources including space and ~~tenure~~ hires. Resource requests must be supported by reference to University Dashboard data.

Requests for ~~tenure~~ track hires should indicate the area and rank that the program is ~~requesting~~ hire. If a program is not requesting resources in that year, indicate that no resources are requested.

A. Discussion of Trends & Reflections Notable Trends;

Summarize and discuss any notable trends occurring in your program over the ~~past 3~~ ~~years~~
