

MAJOR AND DEGREE REQUIREMENTS

The nursing major requires lower and upper division coursework. Transfer courses used to satisfy prerequisites or other major courses can be reviewed first on the website [TEA](#) and then by the Nursing Office.

Upper division credit is granted for successfully passing NCLEX exam and completing clinical courses in ADN or Diploma program.

maximum credit for Community College work (lower division & prerequisite courses)	= 70
upper division granted nursing credit	= 15
Cal State East Bay nursing courses	= 26
<u>other required courses</u>	= 9
